There are going to be times when quick access to your face will be a necessity. The SKILD SERIES™ FC5 was built for those times with convenient and durable clips that attach to any headgear. Moisture-wicking fabric, combined with innovative and game-changing functionality, puts the FC5 in a category all its own. While not reversible like the other designs in the SKILD SERIES™, the FC5 is unique because it can be rotated 180 degrees from bottom-to-top or top-to-bottom to accommodate different face sizes.

The FC5 includes a flexible wire piece on either the nose or chin – depending how you choose to wear it. The clip straps are adjustable for added comfort.

DISCLAIMER

The SKILD SERIES™ face coverings are not surgical masks or for other medical use and are not U.S. Food and Drug Administration (FDA) cleared or approved, Centers for Disease Control and Prevention (CDC) certified or designed to be any other type of medical-grade mask. This product has been authorized by the FDA under an Emergency Use Authorization (EUA) for use as source control by the general public as well as healthcare professionals in healthcare settings as to help prevent the spread of infection or illness during the COVID-19 pandemic. Chef Works is marketing its face coverings under the terms of this EUA, as authorized by the FDA, only for as long as the public health emergency remains in effect.

CHEF WORKS EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. FURTHERMORE, CHEF WORKS MAKES NO WARRANTIES, EXPRESS OR IMPLIED, THAT THESE FACE-COVERINGS PREVENT INFECTION OR THE TRANSMISSION OF VIRUSES OR DISEASES OR THAT THE FACE COVERINGS CONTAIN ANY ANTIMICROBIAL OR ANTIVIRAL QUALITIES. THE FACE COVERINGS SHOULD NOT BE USED (1) IN ANY SURGICAL SETTING OR WHERE SIGNIFICANT EXPOSURE TO LIQUID, BODILY OR OTHER HAZARDOUS FLUIDS, MAY BE EXPECTED; (2) IN A CLINICAL SETTING WHERE THE INFECTION RISK LEVEL THROUGH INHALATION EXPOSURE IS HIGH; OR (3) IN THE PRESENCE OF A HIGH INTENSITY HEAT SOURCE, FLAMMABLE GAS OR AEROSOL GENERATING PROCEDURE.
